PAST EMPLOYMENT

United States Postal Service — Holiday Mail Handler

Nov 2018 - Jan 2019

Removed and prepared mail to be delivered to local post offices.

Organized mail into appropriately marked bins for delivery, storage, or transportation to other centers.

Germantown Post Office - *Mail Processing Clerk*

Oct 2016 - Oct 2017

Sorted incoming and outgoing mail by hand or by operating electronic mail-sorting and scanning devices.

Performed a combination of tasks such as received letters and parcels; sell postage and revenue stamps, postal cards, and stamped envelopes; filled out and sell money orders; and examined mail for the correct postage

Blue Tom Records - *Graphic Designer*

Jan 2015 - May 2015

Part of a 3-person design team for a university run music label. Responsible for providing support for the marketing team by creating web, digital, and print designs.

Designed album layouts and album artwork for recording artists.

Part of the Marketing team fulfilling requests, such as designing email and social media layouts

Tiger Copy and Graphics - *Student Graphic Designer*

Jul 2014 - May 2015

Designed and developed posters, brochures, flyers, stationery, and business cards for customers and university faculty.

Prepared files for printing, aided in book binding, delivered supplies for academic departments.

Provided customer service and fulfilled customer's design requests.
